

MILITARY LENDING ACT

IMPORTANT DISCLOSURES FOR ACTIVE MEMBERS OF THE MILITARY AND THEIR DEPENDENTS:

The Military Lending Act applies to this credit card account if at the time you establish the account you are an active member of the military or a dependent (as defined in the Military Lending Act, 10 U.S.C. 987 and implementing regulations). The following terms and conditions amend your credit card agreement and apply during any period(s) in which you are active military or a dependent under those definitions. They do not apply when you are not an active duty member of the military or a dependent:

1. NOTICE: Federal law provides important protections to members of the Armed Forces and their dependents relating to extensions of consumer credit. In general, the cost of consumer credit to a member of the Armed Forces and his or her dependent may not exceed an annual percentage rate of 36 percent. This rate must include, as applicable to the credit transaction or account: the costs associated with credit insurance premiums or debt protection fees; fees for ancillary products sold in connection with the credit transaction; any application fee or participation fee unless they are bona fide and reasonable under the MLA. To receive this notice verbally, please call toll-free 888-369-2207

2. Advances will not be secured by a consensual lien on shares or deposits in any of your share or deposit accounts unless you specifically agree to establish a secured share or deposit account in connection with this credit card account ("Secured Account"). Only funds deposited into the Secured Account after the credit card is established will secure advances. Any cross-collateralization provision contained in your credit or membership documents will not apply to the Secured Account or your other share or deposit accounts for this account.

However, with regard to this credit card account, we still reserve our rights regarding statutory liens and administrative freeze under federal or state law.

Any contract terms in your credit card, security, or membership agreements that contradict the above shall be inapplicable.

3. Your credit card account is not subject to mandatory arbitration and therefore any reference to mandatory arbitration in connection with this credit card account does not apply.
